PORTSEA S.L.S.C. CAMP

A SCHOOL & TEAM CAMP LIKE NO OTHER

Where Learning, Leadership & Coastal Adventure Collide

DISCOVER WHAT'S POSSIBLE

A COASTAL CAMP THAT ATTENDEES WILL ACTUALLY REMEMBER.

Perched where the wild Southern Ocean meets the calm waters of Port Phillip Bay, Portsea SLSC Camp is a dynamic, purpose-built environment for attendees, athletes, and future leaders.

Whether you're planning a school excursion, sports training camp, or leadership retreat — this is the place to connect, grow, and push beyond the ordinary. With direct access to Portsea Back Beach and Point Nepean's sheltered front beach, the setting offers a rare combination of real-world challenge and genuine safety — ideal for water education, team building, and outdoor learning that can't be replicated in a classroom.

Comfortable, affordable, and utterly unforgettable. Wake up to the sound of the ocean. Wind down with a west-facing sunset that sets the sky on fire.

Portsea SLSC acknowledges the Bunurong People of the Burin'yong Bulluk clan as the Traditional Custodians of the land and waters on which we operate. We pay our respects to their Elders past, present and emerging.

WHY CHOOSE PORTSEA S.L.S.C?

There are plenty of camp venues — but very few offer the combination of genuine coastal wilderness, purpose-built modern facilities, and a team that's run programs for schools and sporting groups at every level.

01

SCHOOL GROUPS

Take learning beyond the classroom. Our facilities support curriculum-aligned programs and real-world skill building on the coast.

02

SPORTS TEAMS

Focused training environment, ocean access, and team-building activities that build culture as much as fitness.

03

LEADERSHIP PROGRAMS

Challenge your attendees in ways that matter. The coast has a way of stripping things back and building real leaders.

THE SETTING

Portsea SLSC sits within Point Nepean National Park, right on Portsea Back Beach. It's a working surf life saving club — giving campers a real connection to the water safety culture that defines this stretch of coast. With both ocean beach and bay beach accessible, you can tailor activities to suit your group's experience and confidence levels.

TIPS FOR AN EXCEPTIONAL CAMP

WE'VE HELPED RUN A LOT OF CAMPS. HERE'S WHAT SEPARATES THE GOOD ONES FROM THE ONES ATTENDEES STILL TALK ABOUT YEARS LATER.

1. KNOW WHAT YOU WANT TO ACHIEVE

Start with clear goals — whether it's team cohesion, leadership development, physical challenge, or curriculum outcomes. Our team will build the experience around your vision.

2. DRIVE REAL IMPACT

The most effective camps don't end when the bus leaves. Plan how you'll integrate what attendees experience at Portsea back into the classroom, training ground, or school culture.

3. BALANCE ENERGY AND REST

A camp that only pushes hard wears people out. We build a rhythm that includes coastal adventure AND genuine downtime — so every student gets the most from each day.

4. BUILD CONTINUITY

Ask us about multi-year camp progressions. Attendees who return year after year develop measurably deeper skills, confidence, and leadership capacity. We'll help you design the journey.

5. USE THE FACILITIES WELL

Our AV-equipped dining hall and recreation room are built for structured learning as much as free time. Bring your curriculum to the coast — the setting alone changes how attendees engage.

6. CUSTOMISE THE EXPERIENCE

From one-day programs to multi-day deep-dives, we shape the camp around your group's needs. Nothing is fixed; everything is built around what works for you.

7. COME AND SEE IT FIRST

We strongly recommend a site visit before you book. Walking the space with your team makes planning infinitely easier. We'll show you around and answer every question.

8. TELL US WHAT YOU NEED

Dietary requirements, accessibility needs, specific learning objectives — nothing is too much detail. The more we know, the better the camp we can deliver.

9. RELY ON THE TEAM

We handle the logistics so you can focus on the group. From bump-in to bump-out, we're here to make the camp run smoothly for teachers and attendees alike.
